Mr. Hyoung June Kim is an advisor at Jipyong, concentrating on matters related to real estate investment trusts (REITs) and asset management companies (AMCs), as well as ESG/CSR matters in the real estate sector.

Mr. Kim is a preeminent real estate and finance expert in REITs and urban redevelopment. His expertise is built upon a distinguished career conducting numerous REITs and AMC reviews, alongside appraisal projects for urban redevelopment. As a Certified Appraiser with a Ph.D. in Business Administration (Accounting), he commands a profound mastery of real estate theory.

In addition to his practical work in appraisal and REITs, he has led various research projects, focusing specifically on long-term studies of commercial and office real estate and the growing importance of ESG factors in property markets.

Building on his experience as the lead supervisor of REITs reviews during a period of rapid market expansion, he provides specialized advisory services for REITs and AMC authorization. He also offers professional guidance on the social responsibility of real estate corporations.
